Product Sample Disclaimer: DUCHATEAU's collections reflect a love for the natural beauty of wood, each product expressing distinct variations in size, shape, thickness, finish, texture, grain, and overall character. It is our celebration of the nuances that create unique variation in every plank. Individual samples of these floors are intended as reference, rather than exact representations, of the entire range of color variation and character that will be present in the flooring you will receive. To better understand the unique look of DUCHATEAU finished floor in your space, we recommend consulting your Sales Representative.

Installation and Performance Disclaimer: Environmental conditions, such as exposure to light, and fluctuations in temperature and humidity, can affect product performance from initial installation throughout its life. Refer to our website for installation guidelines or see your local Sales Representative for more information on successfully installing, caring for, and ensuring the lifelong performance of your floor.

Note: All measurements are nominal.

¹ - Nominal wear layer thickness measured prior to finishing processes such as wire-brushing will affect the overall thickness.

² Flooring with plank widths above 7.5" cannot be floated.
171 TSCA Title VI Compliant.
